Class Specifications
for the Class:

STADIUM LAYOUT AND MAINTENANCE WORKER
(STADIUM LAYOUT & MTNCE WKR)

Duties Summary:

Lays out and paints logos, emblems, numerals, and required field of play lines and other markers for various sports and other events at the Aloha Stadium; operates various motorized equipment, and supervises and participates in the cleaning and maintenance of the artificial turf field and adjacent area, and the set-up and removal of on-field changes and equipment; and performs other related duties as assigned.

Distinguishing Characteristics:

This class is distinguished by its responsibility for the preparation of the field of play for various sports including the lay out and painting of logos, emblems and other markings in accordance with specialized work methods and techniques, and official requirements. Included is responsibility for the cleaning, care and maintenance of the artificial turf field and adjacent area; and the erection, installation, and removal of field changes, general and specialized equipment, and other materials for sporting and other events. It also includes the supervision of several crews of part-time and intermittent assistants through subordinate crew leaders in the performance of manual unskilled work in preparing, cleaning and maintaining the field for sports and other use.

A position in this class is under the general supervision of a position in overall charge of grounds, field, grandstand, custodial and general maintenance services.

Examples of Duties:

Designs, constructs and maintains stencils and templates for field of play requirements (e.g., baselines, batter's circle, inbound lines, yard lines, etc.) for various sports and levels of play (i.e., high school, college and professional), and for various logos, emblems, lettering and numerals; reviews proposed logos and emblems, recommends modification in design and colors to maximize attractiveness and effectiveness, and prepares stencils to scale; mixes paints to achieve proper color and tones, and applies paint by brush, roller or airbrush to artificial turf to install and maintain playing field lines, logos and emblems; operates a hydraulic winch, and supervises and participates in installing and removing sections of baseball dirt

pan (for bases, home plate and pitcher's mound) and football inserts; operates a tractor with vacuum and scrubbing attachments, and supervises and participates in cleaning and maintaining the field by removing rubbish, dirt, stains, marker lines, and water involving detergent and chemical solutions in accordance with manufacturer's instruction; supervises and participates in a variety of tasks in preparing and maintaining field area for use such as: shaping and tamping baseball dirt areas, positioning batter's cage and protective screens, wrapping and erecting goal posts, placing player benches and tables on the field, installing and removing tarpaulin and plyboards to protect the field, hand sewing tears and gluing of joints, and so forth; operates a forklift in the erection of a stage for concerts and other events; inspects field for defects and objects which may cause injuries to players.

Minimum Qualification Requirements:

Experience and Training: Four years of work experience in the lay out and maintenance of an artificial turf field for sports events, of which two years shall have involved the preparation of logos, insignia and other symbols, letters and numerals according to scale and their application by brush, spray or airbrush; or any equivalent combination of experience and training.

Knowledge of: Care and maintenance of artificial turf; techniques and procedures in the lay out and painting of field of play lines, logos and other symbols for various sports events; the tools, equipment, materials and supplies applicable to the work; principles and practices of supervision.

Ability to: Plan, lay out and prepare stencils for painting field of play lines, logos and other markings on artificial turf; mix and match paints; perform painting by brush, roller or airbrush; read and understand manufacturer's manuals on the care and maintenance of artificial turf and a rubberized warning track; operate and perform the operational maintenance on various automotive and motorized equipment used in the work; plan, schedule, direct and review the work of others performing a variety of manual unskilled work in the set up, maintenance and removal of stadium equipment, and the care and maintenance of artificial turf.

Supervisory Aptitude:

Applicants for this class must possess supervisory aptitude. Supervisory aptitude is the demonstration of potential for the performance of supervisory duties through successful completion of regular or special assignments which involved some supervisory responsibilities or aspects; by serving as a group or team

leader, or in similar work in which opportunities for demonstrating supervisory capabilities exist; by completion of training courses in supervision accompanied by application of supervisory skills in work assignments; or by favorable appraisals by a supervisor indicating the possession of supervisory potential.

License Required:

Possession of a valid State of Hawaii motor vehicle operator's license is required.

Tests:

Applicants must qualify on the appropriate examination for the class. For non-competitive actions, the examination may be waived.

Physical and Medical Requirements:

Applicants must be physically able to perform, efficiently and effectively, the essential duties of the position which typically require the ability to read without strain printed material the size of typewritten characters, glasses permitted, and the ability to hear the conversational voice, with or without a hearing aid, or the ability to compensate satisfactorily. Handicaps in these or other areas will not automatically result in disqualification. Those applicants who demonstrate that they are capable of performing the essential functions of the position will not be disqualified under this section.

Any condition which would cause applicants to be a hazard to themselves or others is cause for disqualification.

Any disqualification under this section will be made only after a review of all pertinent information including the results of the medical examination, and requires the approval of the Director.

This is the first specification for the new class STADIUM LAYOUT AND MAINTENANCE WORKER.

Effective August 1, 1983

DATE APPROVED: 7/23/85
